

REMARKS/ARGUMENTS

This Amendment is submitted in response to the January 7, 2008 final Office Action issued in connection with the above-identified patent application. By this amendment, claim 29 has been amended and claim 33 has been canceled. Also, previously-withdrawn claim 19 has now been canceled. No new matter has been added. It is believed that all pending claims are now in condition for immediate allowance.

In the Office Action, the Examiner indicated that claims 1-4, 6, 8-11, 14-18, 20 and 22 are allowed, that claims 29-32 are rejected, and that claim 33 would be allowable if placed in independent form to incorporate its base claim and any intervening claim. By this Amendment, claim 29 has been revised to incorporate the features of claim 33 therein, and claim 33 has been canceled. As such, amended claim 29 is believed to be allowable. Moreover, claims 30-32 which depend from claim 29 are also believed to be allowable.

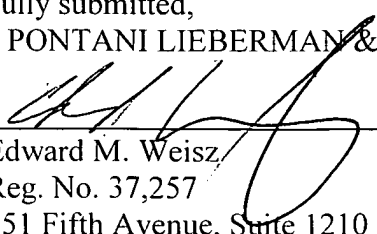

Claim 19, which has been previously withdrawn, has now been canceled.

Inasmuch as all pending claims are now believed to be allowable, a Notice of Allowance is earnestly solicited.

It is believed that no fees or charges are required at this time in connection with the present application. However, if any fees or charges are required at this time, they may be charged to our Patent and Trademark Office Deposit Account No. 03-2412.

Respectfully submitted,
COHEN PONTANI LIEBERMAN & PAVANE LLP
